PRIZE DETAILS*

Draw Date __/__/____ **Time** __:__am/pm

*Disclaimer - If not all squares sell by the draw date, the prize pool will be divided into relevant percentages according to the amount of sales.

RULES:

CONTACT: _____

100 CLUB

Instructions

1. Check your relevant state raffle/lottery permit requirements for the draw and speak with your Supertee team member if you are unsure
2. Print the 100 Club board and prize detail poster. Set your square price ie. \$5/\$10/\$20 a number and note down your draw date.
3. Complete your poster with your prize/s though just remember to ensure at least 60% of the total board is donated to Supertee ie. if you sell each number at \$20 a ticket the total board will be valued at \$2000 so you could make your total prize pool \$800 and divide into three prizes = 1st gets \$500, 2nd \$200, 3rd \$100
4. Once created you can either sell face to face or post on your social media and message your friends or colleagues individually using a script such as *"Hi xxxx, I am running a 100 board to raise funds for Supertee to help give the gift of strength through imagination to kids in hospitals and respite centres around Australia. I was hoping you would be interested in buying a number (or 2?). The prize pool is \$xx and the prizes are.xxxx. Each square is selling for \$xx ea. I would really love your support"*.
5. Ensure to write down the full name in the relevant square and check you have a way to identify or contact them if they win!
6. Use a random number generator to pick the winning number!
7. Deposit funds to your Supertee online fundraising page
